

To My **WOVEN** Sisters,

**Many of you have heard me say...**

“If you’re a WOMAN and you’re a member of BWBC,  
then by default, **YOU ARE W.O.V.E.N.**

for, **WOVEN** is not something we join, it’s **who we are.**

**Women Of Virtue Embracing Newness**

It is indeed a blessing to serve alongside women who love the Lord, desire to grow spiritually, use their passion and gifts to edify the Kingdom, encourage their sisterhood and extend themselves to reach others. My prayer is that W.O.V.E.N. will continue to challenge and enrich us through the many opportunities we have to grow spiritually, to serve our sisterhood, our BWBC Family and our community with fresh and new experiences with God.
